We're starting a bit earlier than usual to allow time to discuss the necessary changes required to the Constitution and other important issues. If Delegates have any subjects they wish to be raised can they please send them through to the AEHF Secretary so they can be added to the Agenda. No subjects will be added to the Agenda on the day.

RENEW YOUR MEMBERSHIP...

Thanks to all those clubs who have renewed their memberships. Keep them rolling in.

AND CONSTITUTION NEWS...

Some of you have been returning the Vote Return Slip which was sent as part of the **Discussion Paper** about changes to the Constitution – thanks for sending them, although this was not meant to be signed and returned as it was simply advising that this document would now form part of the Constitution as an Appendix so that all future votes would be conducted in an identical manner each time – that's OK. It gives us an indication that you agree with what we are doing... good !
