

Newsletter No # 6

Hello to all AEHF Affiliated Clubs

NOT LONG NOW....

Message from Director. You may not be packing your suitcase just yet BUT there are some important things we need to tell you to get ready for the best Nationals ever.

If you've never been to a Nationals before this is the time to get that car out of the shed, dust off the cobwebs and COME. There may be some club members who are in two minds about coming or not. Well, stop thinking about it and DO IT – and those of you who are coming – PLEASE TELL YOUR FRIENDS NOT TO MISS IT.

It's not too late to enter. You have until the 14th November.

This Nationals is not only about having the best or fanciest car and winning trophies – this Nationals is about meeting people, forging new friendships across our nation and making memories that will never be forgotten.

If you are coming a long distance, some people might look upon such a journey as daunting – talk to your fellow club members – drive in convoy. Getting here is half the fun.

And boy do we have some surprises waiting for you. **Cash prizes + the chance to WIN YOUR ENTRY FEE BACK !! Thousands of \$s worth of prizes & give aways** – all due to the fabulous sponsorship we have been given by local businesses. So whatever you do DON'T MISS THE FUN NIGHT....

The town of Beenleigh and the Great South East of Queensland is geared up waiting for YOU!

The Observation run will take you from the sea to the mountains with some stunning scenery, you won't be disappointed. And ladies ~! (did I mention SHOPPING ?).
